PARC MAWR

MATCH SPONSOR: NETWORK PLUS | MOLSON COORS

WELCOME TO BONYMAEN RFC

TODAY WE WELCOME BEDDAU RFC TO BON-Y-MAEN. THEIR LAST VISIT TO PARC MAWR WAS FOR A CUP SEMI-FINAL AGAINST LLANELLI WANDERERS A FEW YEARS AGO. THE GAME, PLAYED ON A NEUTRAL GROUND, WAS AN EXHILARATING AFFAIR AND AFTER LEADING FOR MOST OF THE GAME THEY WERE PIPPED AT THE FINAL WHISTLE!

THE SIDES HAVE ALSO MET HERE IN THE LEAGUE. IN APRIL 2013, BONYMAEN EDGED BEDDAU 11–9 IN THE SWALEC CHAMPIONSHIP, WITH KYLE SALTER SCORING BONYMAEN'S ONLY TRY AND RICHARD CUNNIFFE KICKING TWO PENALTIES. TODAY WE EXTEND A WARM WELCOME TO THEIR PLAYERS AND SUPPORTERS TO PARC MAWR.

FIVE OF TODAY'S STARTING XV ALSO PLAYED FOR BONYMAEN AWAY AT BEDDAU IN OCTOBER 2013. **DANIEL** AND **NATHAN BROOKS**, **JORDAN FARLEY**, **RHYS LEONARD** AND **ANDREW PRITCHARD** ALL START AGAIN TODAY. IT'S A GREAT ACHIEVEMENT TO SEE ALL FIVE STILL PULLING ON THE BONY SHIRT 13 YEARS LATER.

CONTINUED...

WE ARE OBVIOUSLY IN THE SILLY PART OF THE SEASON WHERE THERE IS NO CONSISTENCY IN FIXTURES. THE LADS ARE LOOKING FORWARD TO THE GAME AND DETERMINED TO GIVE A GOOD ACCOUNT OF THEMSELVES AND KEEP BUILDING AND LEARNING THE WAY TO PLAY AT THIS LEVEL. WE WISH THEM WELL AND HOPE THEY KNOW WE'RE ALL RIGHT BEHIND THEM.

WE WOULD LIKE TO THANK OUR MATCH SPONSORS, MOLSON COORS AND NETWORK PLUS, FOR THEIR SUPPORT TODAY, WHICH WE GREATLY APPRECIATE. MOLSON COORS HAVE BEEN INVOLVED WITH BONYMAEN RFC FOR A LONG TIME AND WE HAVE A GOOD RELATIONSHIP WITH THEM. NETWORK PLUS ARE IN THEIR FIRST YEAR OF SPONSORSHIP WITH BONYMAEN RFC AND WE SINCERELY HOPE THEY ENJOY THEIR AFTERNOON WITH US TODAY. WE HOPE TO BUILD A LONGSTANDING PARTNERSHIP WITH THE BUSINESS LIKE MANY OF OUR LOYAL SPONSORS.

WE ALSO WELCOME OUR CLUB CAPTAIN JOE YEATES BACK FROM REPRESENTING WALES IN JAPAN RECENTLY. JOE PUT IN SOME REALLY GOOD PERFORMANCES, LEADING THE WALES DEAF 7S SQUAD TO THE SEMI-FINALS.

AS SUPPORTERS, WE ALL KNOW THAT WE'RE PLAYING IN A VERY TOUGH AND DEMANDING LEAGUE, SO IT'S REALLY IMPORTANT THAT WE GET BEHIND THE BOYS AND OUR COACHES AND GIVE AS MUCH SUPPORT AS WE CAN. FOLLOWING LAST WEEKEND'S PERFORMANCE BY THE NATIONAL TEAM, WE ALL KNOW WHAT'S POSSIBLE ON A RUGBY PITCH. LET'S MAKE TODAY OUR DAY AND MAKE AS MUCH NOISE AS WE CAN TO DRIVE THE LADS ON.

LET'S ALSO GIVE OUR MATCHDAY OFFICIAL A WARM WELCOME AND LOTS OF RESPECT. MANY REFEREES IN THIS DIVISION ARE YOUNGSTERS STILL LEARNING THE GAME. PLEASE SHOW THEM THE RESPECT THEY DESERVE AND MAKE SURE THAT THEY ALSO HAVE AN ENJOYABLE EXPERIENCE HERE THIS AFTERNOON.

Your whole property journey. Under one roof.

CLUB NEWS

WORTHY WEDNESDAYS

Two former Wales captains, a top-class compère and plenty of rugby chat made for a fantastic Worthy Wednesday at Bonymaen RFC.

We were delighted to welcome Ken Owens and Colin Charvis to the clubhouse, with the brilliant Phil Steele keeping the conversation flowing throughout the evening.

Colin captained Wales at the 2003 Rugby World Cup and played in two Tests for the British & Irish Lions in Australia in 2001. Ken led Wales in the 2023 Six Nations and played in five Lions Tests across the 2017 tour to New Zealand and the 2021 tour to South Africa. It was great to have them both at Bonymaen and hear about their time in the game.

A big thank you to Ken, Colin and Phil for joining us, to Worthington's for supporting grassroots Welsh rugby, and to everyone who came along and made it such an enjoyable evening.

BONYMAEN BELLES RAISE £3,000 FOR LATCH WALES

Our very own Bonymaen Belles organised a Ladies' Night on Saturday 7 November, raising a fantastic £3,000 for LATCH Wales, the Welsh children's cancer charity.

Club president Gary Jenkins swapped his usual duties for a pink sequinned dress as he took to the floor as his alter ego, Miss Gastric Band, with a little help from his butlers.

The night was well supported by the women of the club. A big thank you to the Belles for putting it all together, to Gary and his butlers for getting into the spirit of the evening, and to everyone who came along, donated or helped out on the night.

OUR HISTORY

BONYMAEN RFC
1890s - TODAY

From village sides on Kilvey Hill to Premiership rugby, Bonymaen's story is one of resilience, ambition and community.

1890s
THE FIRST CHAPTER
Rugby took root in Bonymaen through sides such as Jack Hathaway's XV and the Jersey Excels. Local half-backs Evan and Dai James went on to represent Wales.

1919-1926
BRYNTAWE'S GOLDEN ERA
Bryntawe RFC played on the Bonymaen field, where water was carried from Cefn Road and heated for tin baths. The side became one of Swansea's strongest, winning the League Championship and Cup before the 1926 General Strike brought operations to an end.

1928-1961
REBIRTH AND PARC MAWR
Bonymaen Wanderers carried thevillage game until war intervened in 1939. Reborn as Bonymaen RFC in 1946 with deeper community support, the club bought 7.5 acres in 1954. Parc Mawr opened in 1961 and became the permanent home generations still treasure today.

LATE 1970s
THE INVINCIBLES
The first XV surged from West Wales Section E to Section A and won the West Wales Championship. The third team then completed an unbeaten season, winning the league, cup and President's Cup.

EARLY 1970s-1974
A GROWING RUGBY FAMILY
By the early 1970s, Bonymaen was running senior, youth and schoolboy sides. In 1974 the club hosted a touring Romanian XV, becoming the first Welsh second-class club ever to do so and placing Parc Mawr firmly on the wider rugby map.

2006-2023
TITLES AND CUP RUNS
Bonymaen were Division 1 West champions in 2006-07 and Division 1 West Central champions in 2014-15. A WRU Plate Final followed in 2018-19 before the unforgettable 2022-23 league-and-West Wales Cup double.

PLAYERS AND PATHWAYS
TALENT FROM BONYMAEN
The club has helped develop Alun Wyn Jones, Malcolm Dacey, Richard Webster and Rory Thornton. The women's team, formed in 2016, has won the Admiral Women's Championship and reached the WRU Cup Final in 2024 and 2025.

2026 - ANOTHER CHAMPIONSHIP YEAR
The first XV won the Admiral National Championship West in 2026, securing a return to the Admiral WRU Premiership for 2026-27. Bonymaen Athletic also celebrated back-to-back promotions and now compete in Admiral National League 3 West Central.

BONYMAEN RFC CELEBRATE 65 YEARS AND PARC MAWR

Back in September we celebrated 65 years since Parc Mawr became the home of Bonymaen RFC on 19 September 1961.

In that time, countless players have pulled on the shirt, gone on to represent Wales, volunteers have given their time, and families have made memories on the touchline. What began with one team at Parc Mawr has grown into a club with 17 teams, more than 400 players and over 120 volunteers.

Thank you to everyone, past and present, who has helped make Parc Mawr the place it is today. Here's to the next generation of memories.

Bonymaen – biggest and best Rugby headquarters in Wales

The contribution a bar can make to a club's success

BONYMAEN Rugby Football Club, which was admitted to probationary membership of the Welsh Rugby Union less than two years ago, opened a new £15,000 club house and headquarters a few days before Christmas. It is the biggest and most up-to-date Rugby club headquarters in Wales and is another example of the trend among rugby clubs in Wales to solve their financial problems by opening a licensed club house.

Rugby clubs, big and small, have always had a struggle for existence. There has never been any lack of enthusiasm, but always a shortage of money. "Gate" receipts have rarely matched expenses. The cost of transport, jerseys, balls and other gear has in almost every case had to be met by hard-working committee men selling tickets for "tote" and other sweepstake competitions. In many clubs, players are expected to buy their own kit.

The first of the 36 West Wales Rugby Union clubs to take such a step was Llandebie RFC. They erected a pavilion with dressing-room facilities, showers and a bar. The following year, the club won the West Wales cup for the first time in 30 years, and later claimed the president's cup. "And I say our success has a great deal to do with the opening of our club house, bar facilities and all," said club chairman, Mr. Alban Davies.

Comfort and companionship

"From these new facilities we are reaping dividends in improved performances, improved team spirit and improved finances," Mr. Davies continued. "It used to be that, after training sessions and matches, the lads just drifted away to wherever they could find comfort and companionship.

"Now they don't have to face dreary dressing-rooms and tepid bath-tub water. They get hot showers, and a chance to relax and chat in comfort in the lounge. In such circumstances, they get to know members of other teams and the spirit all round is better for that.

"Players who get to dislike each other through some incident on the field find that these antagonisms continue from game to game, unless there are facilities for sociability after matches. Then they find that the chap they thought was a terror is not so bad after all.

"There's no doubt at all in my mind," said Mr. Davies, "that the bar and all that goes with it has contributed enormously to our success."

Following suit

Can it be coincidence that Abercrave RFC, who were the next West Wales Rugby Union club to open a bar, have had a highly successful season, having lost only one match up to mid-December? Resolven RFC, the third club in the West Wales Union to follow suit by opening a bar, are now climbing the league table after many years in the doldrums at the bottom.

Several other clubs in the West Wales Union are now exploring the possibilities of following suit. There's little doubt that some of them, at least, will overcome the considerable prejudice that still exists in many parts of Wales against alcoholic refreshment, and will build club houses with bars.

The Bonymaen venture took two years to build and was financed, partially at least, by brewers.

The club house has a hall which can be used for dances (it will accommodate 150 couples in comfort), for concerts, as a gymnasium, for "tombola" sessions or for other activities associated with club life.

In addition there are dressing-room and shower bath facilities for home and visiting teams, separate private accommodation for the referee, a "men only" bar and a lounge bar.

Secretary of the club, Mr. Ron Davies, said: "With facilities like these, we're putting first-class clubs like Cardiff and Swansea in the shade. We expect clubs from all over Wales will be clamouring for fixtures.

"Of course, it's been an expensive business. But we reckon we'll clear our debt within five years. As for our players, I think they're feeling like kings."

"Our old headquarters was in a community centre half a mile from our playing field. They had to trot half a mile to play and then drag themsslves half a mile back again to clean up and change."

Ambitious scheme

"On this, the east side of Swansea, there is no other place with anything like our facilities. I expect our membership will go up and up."

Mr. Davies added: "Our first concern was to provide decent dressing-room facilities. Then we realised the expense would hardly ever be recovered. So we decided on this ambitious scheme, with bars to provide the revenue. I think it will be the answer to all our problems."

This, then, is the changing pattern of rugby club life in Llandebie, Abercrave, Resolven, Kenfig Hill, Glynneath and many other townships and villages in Wales. And it will go on; the bar and the hall are becoming the closest of companions.

Working together for the people of Bonymaen Ward

BONYMAEN POEM

There is a place in Swansea Eastside,
perched high up on a hill,
a place that draws us up there,
a place that always will.

It's a place where strangers become teammates,
and those teammates then become friends,
and the friendships that are forged there,
are friendships that will not end.

For the club becomes a part of you.
It gets right inside your head,
and all you dream of doing,
is playing in Black and Red.

It doesn't seem to matter,
if there's sun or hail or rain,
the pull to go back up there,
tugs at you once again.

The club is one big family,
with members young and old,
with a stalwart group of supporters,
who are there in the sun or the cold.

Once the game is over,
the match rivalry will end,
we gather in our clubhouse,
and opposing players are now friends.

In the comfort of our clubhouse.
We'll drink a beer and listen to tales.
Of those who have played before us,
for the club, The Lions and Wales.

So even though your body is screaming,
as you hit another ruck,
you know your teammates are beside you,
well... With a little bit of luck.

We had to call back Cartwright Roofing,
when a storm hit our Twin Town,
it caused havoc and destruction,
and Fatty's roof blew down.

But we all rallied round to repair it.
This place is special you see,
and once the damage was sorted,
we all had hotdogs for tea.

We start them young up at the club,
so their passion becomes inbred,
and soon they share the dream with us,
to play in Black and Red.

As they continue through all the age groups,
that passion just grows and grows,
through all the playing positions,
props, full backs and second rows.

So come and pay us a visit,
some days the sun does shine,
you'll find a warm welcome will await you,
at our club, our BONYMAEN.
